Dicas de segurança e montagem

Confira a quantidade de peças e componentes, e se possui todas as ferramentas necessárias para montagem.

Realize a montagem sob um tapete, ou utilize o próprio papelão da embalagem.

Para montagens de produtos com grau de dificuldade alto, considere a contratação de um profissional.

Limpeza:

Use um pano macio umedecido com água e sabão neutro, não utilize produtos abrasivos.

Não utilize força excessiva na montagem das peças, se algo não encaixar, revise as instruções.

Siga o passo a passo.

Para produtos altos ou aéreos, a fixação na parede é obrigatória.

Preserve a segurança da sua família.
