GARANTÍA E INSTRUCCIONES DE LIMPIEZA Y MANTENIMIENTO / WARRANTY AND CLEANING AND CARE INSTRUCTIONS

Our products are guaranteed against manufacturing defects for 90 days from the date of purchase. When you find a problem covered by the warranty, please contact the store where the product was purchased. The store be able to serve you in the best way in each case.

Desgaste natural o daños causados por agua, niebla salina, óxido, fuego, calor, termitas y plagas en general.
Mantenimiento y uso inadecuado.
Incumplimiento de las recomendaciones técnicas del esquema. Montaje y desmontaje tras la primera instalación.
Instalaciones eléctricas y otras similares.

Natural wear and tear or damage caused by water, sea spray, rust, fire, heat, termites and pests in general. Improper assembly, maintenance and use. Failure to comply with the technical recommendations of the scheme. Assembly and disassembly after the first installation. Electrical and other related installations.

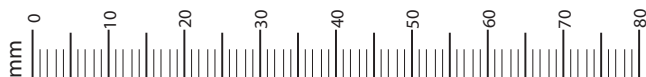

Línea Brasil no autoriza a nenhuma pessoa, loja ou entidade a assumir em seu nome qualquer outra garantia que não figure no certificado. O fabricante se reserva o direito de efetuar em los produtos eventuais modificações que considere necessárias, sem prejudicar las características esenciales. Los productos tendrán piezas de asistencia para reposición en el período de 1 año a partir de su retirada del mercado. La atención para productos fuera de línea es hecha por programación especial, a través de la tienda revendedora bajo aprobación de consulta previa al fabricante.

Linea Brasil does not authorize any person, store or entity to assume on its behalf any other warranty that does not appear on the certificate. The manufacturer reserves the right to make in the products any modifications that it considers necessary without prejudice to the essential characteristics. The products will have replacement parts within one year of being withdrawn from the market, the service for off-line products is done by special programming, through the store reseller under prior consultation with the manufacturer.

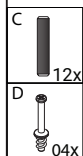

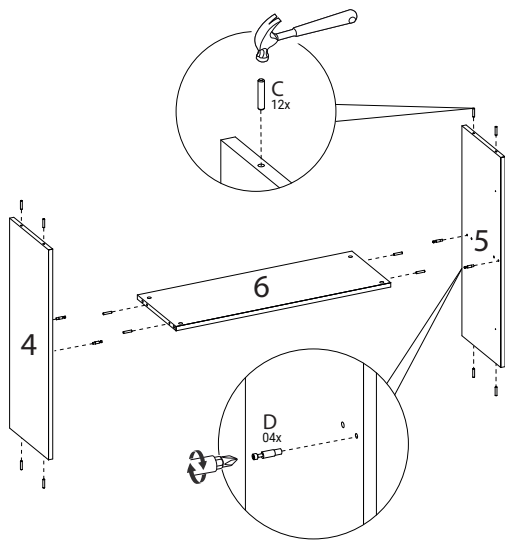

Para quitar el polvo, utilice un paño seco, un plumero o una aspiradora. Si es necesario, para una limpieza más eficaz, utilice un paño ligeramente humedecido con agua. Termine con una franela limpia y seca. Evite materiales abrasivos, humedad y calor.

To remove dust, use a dry cloth, duster or vacuum cleaner. If necessary, for more effective cleaning, use a cloth slightly dampened with water. Finish with a clean, dry flannel. Avoid abrasive materials, humidity and heat.
