Pés não incluso neste Produto (vendidos separadamente). Caso tenha adquirido o Kit de Pés, a fixação deverá ser feita a partir da etapa de Nº2.

NECESSÁRIO PARA MONTAGEM

REQUIRED FOR ASSEMBLY / REQUERIDO PARA EL MONTAJE

OBSERVAÇÃO IMPORTANTE

Limpeza: A maioria dos substratos são melhor preparados com limpeza com álcool isopropílico antes da aplicação das fitas.

Passo 1

Pressão: A resistência da colagem depende da quantidade de contato desenvolvido entre adesivo e superfície. Um firme pressionamento durante a aplicação resulta em um melhor contato do adesivo aumentando a resistência da colagem.

Passo 2

Tempo: Após a aplicação, mantenha a porta deitada por 30 minutos. A resistência da colagem irá crescer conforme o adesivo flui na superfície (fenômeno conhecido como molhabilidade).

Passo 3

ATENÇÃO: Fixar o espelho em porta apoiada em superfície plana. Antes de colar os adesivos Dupla-Faces nos Espelhos (como mostra a ilustração), limpe bem as duas superfícies (espelhos e porta) que receberão os adesivos, para que a colagem fique perfeita e não forneça riscos dos espelhos descolarem. Todos os Espelhos são fixados somente com adesivos Dupla-Faces. Fixe todas as Dupla-faces fornecidas com o produto. Divida a quantidade de adesivos pelo número de espelhos que o produto possui, para saber a quantidade a colar em cada um.

ATTENTION: Fix the mirror on a door resting on a flat surface. Before gluing the Double-Sided stickers to the Mirrors (such as shows the illustration), clean both surfaces (mirrors and door) that will receive the stickers, so that the collage is perfect and do not provide scratches for the mirrors to come off. All Mirrors are fixed only with Double-Sided adhesives. Fix all Double-sided supplied with the product. Divide the amount of stickers by the number of mirrors that the product has, to know the amount of paste on each one.

ATENCIÓN: Fije el espejo en una puerta apoyada sobre una superficie plana. Antes de pegar con la cinta adhesiva doble cara los espejos (como muestra la ilustración), limpie ambas superficies (espejos y puerta) que recibirá las cintas adhesivas, para que la aplicación sea perfecta y no deje rayones para que no se desprendan los espejos. Todos los espejos son fijados solo con cinta adhesiva doble cara. Use todas las cintas adhesivas doble cara suministradas con el producto.
