This exploded view diagram illustrates the assembly of a shelving unit. The main components shown include:

- Back Panel (91000):** A large rectangular panel with a diagonal hatching pattern, shown on the left.
- Shelves (14533):** Five horizontal shelves are shown in the center, with one shelf (14534) shown below them. They are connected to the side panels by brackets (14532, 14531) and screws (G, Q, L).
- Side Panels (14486, 14487):** Two vertical panels that form the sides of the unit. They are connected to the shelves and back panel using various fasteners.
- Base (14535):** A long horizontal panel at the bottom, connected to the side panels and shelves.
- Fasteners:** Numerous screws (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S), bolts (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S), and other hardware (14488, 13115, 7064, 7155, 7014, 18802, 01, 02) are shown being inserted into the panels.
- Detail A:** A circular inset in the top right corner shows a close-up of a shelf edge being secured with a screw (A) and a bracket (B).
- Detail C:** A small rectangular inset in the bottom left corner shows a close-up of a shelf edge being secured with a screw (A) and a bracket (B).
